the Secretary of the Department or head of the agency in accordance with § 124.505.

§ 124.512 Delegation of contract administration to procuring agencies.

(a) SBA may delegate, by the use of special clauses in the 8(a) contract documents or by a separate agreement with the procuring activity, all responsibilities for administering an 8(a) contract to the procuring activity except the approval of novation agreements under 48 CFR 42.302(a)(25).

(b) This delegation of contract administration authorizes a contracting officer to execute any priced option or in scope modification without SBA's concurrence. The contracting officer must, however, notify SBA of all modifications and options exercised.

§ 124.513 Under what circumstances can a joint venture be awarded an 8(a) contract?

(a) *General.* (1) If approved by SBA, a Participant may enter into a joint venture agreement with one or more other small business concerns, whether or not 8(a) Participants, for the purpose of performing a specific 8(a) contract.

(2) A joint venture agreement is permissible only where an 8(a) concern lacks the necessary capacity to perform the contract on its own, and the agreement is fair and equitable and will be of substantial benefit to the 8(a) concern. However, where SBA concludes that an 8(a) concern brings very little to the joint venture relationship in terms of resources and expertise other than its 8(a) status, SBA will not approve the joint venture arrangement.

(b) *Size of concerns to an 8(a) joint venture.* (1) A joint venture of at least one 8(a) Participant and one or more other business concerns may submit an offer as a small business for a competitive 8(a) procurement so long as each concern is small under the size standard corresponding to the SIC code assigned to the contract, provided:

(i) The size of at least one 8(a) Participant to the joint venture is less than one half the size standard corresponding to the SIC code assigned to the contract; and

(ii)(A) For a procurement having a revenue-based size standard, the pro-

curement exceeds half the size standard corresponding to the SIC code assigned to the contract; or

(B) For a procurement having an employee-based size standard, the procurement exceeds $10 million;

(2) For sole source and competitive 8(a) procurements that do not exceed the dollar levels identified in paragraph (b)(1) of this section, an 8(a) Participant entering into a joint venture agreement with another concern is considered to be affiliated for size purposes with the other concern with respect to performance of the 8(a) contract. The combined annual receipts or employees of the concerns entering into the joint venture must meet the size standard for the SIC code assigned to the 8(a) contract.

(3) Notwithstanding the provisions of paragraphs (b)(1) and (b)(2) of this section, a joint venture between a protege firm and its approved mentor (*see* § 124.520) will be deemed small provided the protege qualifies as small for the size standard corresponding to the SIC code assigned to the procurement and has not reached the dollar limit set forth in § 124.519.

(c) *Contents of joint venture agreement.* Every joint venture agreement to perform an 8(a) contract, including those between mentors and proteges authorized by § 124.520, must contain a provision:

(1) Setting forth the purpose of the joint venture;

(2) Designating an 8(a) Participant as the managing venturer of the joint venture, and an employee of the managing venturer as the project manager responsible for performance of the 8(a) contract;

(3) Stating that not less than 51 percent of the net profits earned by the joint venture will be distributed to the 8(a) Participant(s);

(4) Providing for the establishment and administration of a special bank account in the name of the joint venture. This account must require the signature of all parties to the joint venture or designees for withdrawal purposes. All payments due the joint venture for performance on an 8(a) contract will be deposited in the special account; all expenses incurred under
